

DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on 03/28/2008 has been entered.

2. The information disclosure statement (IDS) submitted on 03/28/2008 was filed and being considered by the examiner.

3. Claims 1-6 are allowed.

4. The following is an examiner's statement of reasons for allowance:

None of the prior art of record discloses or suggests alone or in combination that a liquid crystal display comprising a combination of various elements as claimed more specifically a light guide plate emitting light having a polarization state and a light control sheet is made of a particular portion of a resin material produced through a resin material drawing process and is provided with an ability acquired through the resin material drawing process and a cutting-out process for choosing the particular portion such that a maximum-intensity-direction of polarization of the light emitted from the light guide plate is rotated around a traveling direction of the light toward a direction of a light transmission axis of the polarization plate by transmitting through the light control sheet as set forth in claims 1-3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dung Nguyen whose telephone number is 571-272-2297. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Nelms can be reached on 571-272-1787. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
